

# French Broad Hustler

VOL. XXV, NO. 23

HENDERSONVILLE, N. C. THURSDAY, AUGUST 8 1918

PRICE FIVE CENTS

## 43 DRAFT MEN LEFT MONDAY

The entrainment last Monday of the 43 men called went through with out a hitch. Every man was present and the 3 men called as substitutes were not needed, which is a very unusual thing. One man was rejected on account of physical disability. The men were placed in charge of R. M. Kinzey. At the depot the men were addressed by Rev. M. F. Moores, of this city.

The last call, of August 1, went through order number 73 of the 1918 class 1, which means that considerably less than half of this remains. It is not known when the Board will receive another call, but it is supposed that calls between now and the passing of the bill extending the age limit from 18 to 45, will be limited to the available men in class 1. It is stated on good authority that it is the purpose of the War Department to avoid the deferred classes if possible.

- 1253 Moore, Joyce P., Arden, N. C.
- 1263 Wodfin, Roy, Horse Shoe, N. C.
- 1264 Garren, Adolphus, M. Fletcher, N. C.

## FRENCH OFFICER TO SPEAK AT OPERA HOUSE AUGUST 8

Lieut. Vincent de Wierzbicki, of the French High Commission at Washington, official Representative of the French Republic, will deliver an address at the City Hall, August 8, at 8:45 p. m.

It is understood that he is an exceptionally good speaker and the public is cordially invited to attend.

## JUDGE C. M. PAGE IS HONORED BY PEOPLE

A mass meeting was held here at the courthouse Monday to honor Judge C. M. Pace, that date being the completion of 50 years as clerk of court for Hendersonville.

The meeting was opened by W. A. Smith, and immediately afterwards was led in prayer by Rev. M. F. Moores. After the prayer the house was opened for nomination for officers and Mr. Smith was elected chairman and Mrs. L. Ripley Barrowell was elected secretary.

Judge James J. Merrimon, of Asheville, who was to have been the first speaker of the occasion, was absent, but a letter from him was read by Michael Schenck, which expressed his regrets for not being able to be present.

J. J. Britt, of the local bar of Asheville, was the next speaker and he reviewed the vast changes that had taken place during the past 50 years, the period Judge Pace has been in office. He also reviewed his fine record and told of the magnitude of the office.

The meeting was thrown open for impromptu speeches and among those responding were: Judge Blythe, J. J. Mackey, of Buncombe county, Messrs. Simpson, Cannon and Michael Schenck, and Mr. Townsend, of Columbia, S. C.

W. C. Rector made a motion that all those present who had voted for Judge Pace at the first election 50 years ago, stand up and about six or eight of the oldest citizens rose in response to this call.

Short talks were given by all members of the local bar, in commemoration of his long term of office and his faithful service.

## HOSPITAL TAG DAY

The Hendersonville Hospital Association has had a very successful year; and the Patton Memorial Hospital under the Association's management has been of great public service. The management has been such as to make the institution practically self-supporting, and but few calls have been made for assistance of any kind, but in order that a supply of coal may be laid in before winter the association will have "Hospital Tag Day," the second Saturday in August, when every one in the community will be given an opportunity and will be requested to contribute something to aid the association in buying its winter supply of coal.

## TO FIGHT TYPHOID

Raleigh.—In addition to the routine work the county health departments operating with the state board of health during the week ending July 27 accomplished especially notable work in the campaign against typhoid fever.

The fight against this disease naturally falls under two heads, the sanitation of homes and the immunization of individuals. In these counties during the week there were 324 sanitary privies installed, which means that many homes that are no longer constant menace to their occupants and neighbors, and 2,510 people were given the anti-typhoid treatment.

In Robeson, Nash, Lenoir, Northampton and Davidson counties dental clinics for the school children were being held during the same week, and 592 children were treated.

The typhoid vaccine gives immunity from the fever for three years, but the sanitation of a home gives permanent immunity to both its occupants and to the neighbors. Typhoid fever being passed from the body of one who has had the disease and then conveyed to another. The control of the disease becomes, therefore, a question of properly disposing of sewage, and that is why so much stress is laid upon proper house sanitation.

Frequent letters from home will cheer up the boys in the camps.

Know the Food regulations?

## DAILY PRAYER AT 7 O'CLOCK

Whereas, the President of the United States, Woodrow Wilson, and T. W. Bickett, Governor of North Carolina, have issued proclamations requesting that all churches have their bells rung for two minutes each day at 7 p. m., and the bells in all public buildings be rung at the same time, that all the inhabitants of the several communities throughout the country may at this time in one common accord offer up fervent prayers to Almighty God for the preservation of our boys "Over There," and for the success of our arms in this great struggle for Human Liberty, Now, therefore,

I, C. E. Brooks, Mayor of the City of Hendersonville, do hereby request that the bells on all public buildings in the City and upon all the churches, both white and colored, be rung at 7 o'clock p. m., each day and this time is hereby fixed as a moment of universal prayer on the part of our people and all traffic is hereby ordered suspended and all of our people are directed to stand uncovered for two minutes with heads reverentially bowed.

This the 5th day of August, 1918.  
C. E. BROOKS, Mayor.

## LAWN FETE TO BE GIVEN AT PARSONS FIELD

An interesting garden fete will be given at the home of Mrs. Edward Parsons, at Flat Rock, on Tuesday, August 13; for the benefit of the Red Cross, an auxiliary of the Hendersonville Chapter.

A military band from Camp Wadsworth, and dancing will be the feature attractions. There will be various games, prizes and refreshments will be served. An outdoor tableau, which will be illuminated by colored lights, will be another of the attractions.

Howard Hilder, a well known artist of England, will direct the tableaux which will be in the following order: "The Spirit of the Red Cross," by Mrs. Julian Mitchell, of Charleston, S. C.

A sylvian dance by children. Belgium, "Our Lady of All the Sorrows," by Miss Sallie Pinckney, of Charleston.

France, "The Red Robe of France," by Mrs. Marion Brawley, of Greenville, S. C.

Jeanne d'Arc, "The Soul of Jeanne d'Arc," by Mrs. Marion Whaley, of Charleston.

England, "A Chant of Love for England," by Miss Greta Grimshaw, of Flat Rock.

Italy, "Italia Mine," by Miss Mary B. Parsons, of Charleston.

America, "O, My America," by Mrs. Daniel Huger.

The committee in charge of the entertainment is composed of Mrs. Edward Parsons, chairman; Mrs. Gordon McCabe, Mrs. Daniel Huger, Mrs. Julian Mitchell, Mrs. Marion Brawley, Mrs. John Ravenel, Mrs. I. K. Heyward, Mrs. S. S. Rodman, Mrs. Charles Woodhull, Mrs. J. W. Hilder and Miss Elizabeth B. Grimball.

## ENTERTAINMENT BY HORSE SHOE SUCCESSFUL

The "Scenes of the Sixties" which was reproduced at the City Hall on Tuesday night was a success in every way. There was a good crowd present, the auditorium being over half full, but was not quite as full as it was at the first performance, which was given some time ago. It was a reproduction of the scenes of the past with carding, spinning, weaving, etc. There were eleven dressed chickens sold, also a number of handwoven towels. A neat sum was realized, which will go to the Red Cross.

## MARRIAGE LICENSES

The following marriage licenses were issued by the Recorder of Deeds, A. O. Jones, last week: George H. Jones, Azalia, N. C., and Nannie Anderson, Fletcher, N. C.; B. E. Jones, Hendersonville, Rt. 2, and Edith Garren, Hendersonville, Rt. 2. Harry M. Bonnell, Atlanta, Ga., and Adella Hainline, Atlanta, Ga. Walter M. Martin, Spartanburg and Eleanor M. Randolph, also of Spartanburg.

## DR. TEBEAU BUYS NOTERMAN PLACE

(From the Hendersonville Visitor.)

The Noterman place—the valuable and desirable property on North Main and Eighth avenue facing the Carolian Terrace hotel—has been purchased by Dr. A. C. Tebeau, of Hendersonville, and L. E. Whaley, of Lumberton.

The new owners will undertake immediate improvements and highly develop the seven acres of ground into desirable building sites for residential purposes.

Tentative plans call for the removal of the present building so it will face Eighth avenue instead of Main street. This property is highly valuable and a movement was recently on foot by the Woodmen of the World to convert it into a Root Memorial park.

The development of this property will place some very attractive close-in residential sites on the market at an early date.

The deal was made through the real estate firm of Smith, Jackson & Morris.

## ANNUAL DAHLIA SHOW

The annual Dahlia Show, given by the Woman's Club, will be held in Mrs. Cates' store building on North Main street, next door to the Slayden-Fakes Grocery Co. The proceeds of this show will be divided between the Red Cross and the Red Cross.

Asters as well as dahlias will be exhibited and every one in the county is urged to send flowers. Prizes will be given for the handsomest collection of six dahlias, for the largest number of flowers in one collection, for the handsomest collection of not more than two dozen, and for the most artistically arranged collection.

Additional prizes will be given for the asters, and those obtaining honorable mention for dahlias.

War breads, cakes and candies sold will be made entirely by war recipes. There will be music during the afternoon. The Show will take place on Wednesday, August 28th, at four o'clock.

Any further information can be obtained from Mrs. Erle Stillwell, chairman of the Dahlia Show Committee, or Mrs. C. A. Hobbs, chairman of the Advertising Committee.

## AMERICAN MARINE TO BE MANNED BY AMERICANS

WASHINGTON, AUG. 4.—Manning of the American merchant marine with 100 per cent American crews is to be included in the program of activities of the shipping board, Chairman Hurley announced a few days ago, adding that the success of the huge ship-building program was assured. New training ships are to be placed at New Orleans and Cleveland, he said, and 36,000 men are expected to be trained in the next year.

War needs are to be the sole consideration, it was said, and a foundation is to be laid for maintaining the all-American crews for the great peace fleet with which this country is to take a commanding place in world trade after the war.

In beginning the educational campaign the shipping board made it plain that the manning program is based on present and potential needs of merchant service in coastwise and overseas traffic, for both existing and new tonnage.

## SCHOOL CHILDREN TO BE VACCINATED

At a meeting of the Board of Health an order was passed extending the time in which all school children must be vaccinated. It was decided that this date should be September 16, and all those who have not been vaccinated by the required time will be investigated by the Board.

## FRANK HYMAN LOST ON SUNKEN SHIP

Frank Hyman, Jr., one of the members of the U. S. S. Cyclops which was sunk by a submarine sometime ago, was a son of Frank Hyman, of this place. Nothing has been heard of the young man since the accident and it is supposed that he was lost.

## New Pencil Holder

For persons using pencils almost continuously a clip has been invented to hold one on the back of the left hand momentarily when the right hand is occupied for other work.

## TUXEDO BOY HIT BY TRAIN

Frank Corn, of Tuxedo, aged 15, son of Elfred Corn, suffered a very serious injury last Sunday afternoon when the Northbound Carolina Special ran over him and cut off his right leg. The little fellow, together with some other boys, were playing around the station about train time and he was in the act of crossing the track when one of his playmates saw the train approaching and called to him but it was too late, the train hit him before he could get off the track. It is also reported that he will probably lose one of his eyes.

## NEW TAX RETURNS SHOW INCREASE

Return of tax list by A. B. Freeman for Hendersonville township, shows an increase of \$301,634 over the year 1917, and increase of \$264,000 in the city of Hendersonville in taxable values.

The increase is chiefly from personal property as there will be no assessment of real property until 1919. The figures show that there is a large increase in the number of cattle and hogs, the latter almost double that of the preceding year.

These figures show that the county and town are on the increase from a financial point of view, notwithstanding the fact that nearly a half million dollars has been spent in the purchase of Liberty Bonds and War Savings Stamps.

## CLUB BOYS AND GIRLS TO MEET

On Saturday, August 10, all the boys and girls, who are members of the Agricultural Clubs of Henderson County, will meet together for a picnic. Each boy and girl is asked to bring lunch. All will meet at the court house at 10 o'clock a. m. We are planning for all to go out to Laurel Park and spend the day. Some of the club men from Raleigh will be here with us to help make the day a pleasant one. We hope every member will be here. If you have not been as successful with your pig, potatoes, poultry or corn as you would have liked to be, come anyway, and let us try again next year. Every one come and we will try and have a good time. Parents are also invited to come with the boys and girls.

FRANK FLEMING,  
County Agent.

## LAUNCHED BIG SHIP ON LAST MONDAY

Philadelphia, Penn.—With the president and Mrs. Wilson, officials of the shipping board and emergency fleet corporation and thousands of shipyard workers and their families looking on, the Quistconck, a cargo carrying vessel of 7,500 tons, went down the ways of the Hog Island shipyard Monday, marking in the words of Chairman Hurley of the shipping board "another milestone in America's progress in the war against the German government."

The Quistconck is the first of the large cargo-carrying vessels to be launched at the Hog Island yard, the largest shipyard in the world. It is a few weeks and it is expected that more than 50 ships will be launched by the end of the present year.

"It was no mere incident in a nation's shipbuilding program that brought the president and Mrs. Wilson to the scene of this achievement," said Chairman Hurley, who was the principal speaker at the launching. "It was the beginning of an epoch in the nation's history."

"This launching marks another milestone in America's progress in the war against the German government. It marks the beginning of quantity production of ships in all the yards of the United States."

Law and the Man.  
He who tries to harmonize his conduct with the laws of the land will have less trouble than the man who thinks he can make the laws harmonize with his conduct.

## C. F. BLAND BUYS CLARKE BUILDING

(From the Hendersonville Visitor.)

C. F. Bland, owner of the Bland Hardware company, has purchased the building occupied by this business, known as the Clarke building, the consideration being \$25,000.

The property was purchased from P. F. Patton, of Greenville, S. C., and E. C. Guy, of Marion, N. C.

Mr. Bland has been a resident and business man of Hendersonville for only a few years and this substantial purchase is regarded as an index of his faith in Hendersonville.

## BENEFIT BAZAAR AT KANUGA CLUB AUG. 15

(Contributed)

The "Carnival Fair" to be held on Thursday, August 15, at Kanuga Club will be one of the most unique entertainments ever offered in this hill country.

The main objects is to gather together a large number of the summer guests and residents in our section and give them the opportunity to express their interest in our little French allies.

The cause of Children is always most appealing—and particularly to Southern people—who having known the burdens of reconstruction after a devastating war on the home lands, have a keener sympathy for the present and future trials which must be borne by every French citizen.

This generation of French children is the first line of defense in the coming look for national life after peace is declared. It is to conserve these children by offering the support and protection of individual orphans, that brought into being the "fatherless children of France" organization, of which Marshal Joffre is President.

It is hoped that all who can will come to Kanuga on August 15th and receive the inspiration of the address by Count Vincent deWierzbicki, of the French High Commission, at 5 p. m. on Thursday.

There will be no admission charge and all are welcome and assured a most interesting and entertaining afternoon an evening.

## MONEY INSTEAD OF SUPPLIES SHOULD BE SENT SOLDIERS

The original order that the approval of a regimental or higher commander was necessary before packages might be sent to members of the expeditionary forces has been modified so officers with the rank of major and higher may approve shipments. The approval of a company commander is not sufficient.

The question of the shipment of parcels to France first came to the attention of the War Department when the commanding general of the expeditionary forces cabled that congestion of such articles had reached such a point that French railroads were unable to handle the load. A board appointed by the Secretary of War and the Postmaster General examined 5,000 sacks of parcel-post mail, and found that the articles being sent not only in the main, were absolutely unnecessary but undesirable. The investigation showed that the amount of such mail had reached a total of 500,000 pounds a week, and was steadily increasing.

Relatives and friends, according to a recent statement by the War Department, will find they often can do a greater service to soldiers by sending them money for the purchase of articles in France than by forwarding the articles. Tobacco is now being supplied as part of the Army rations, and merchandise of nearly all kinds may now be purchased in France through the huge general store established by the Quartermaster Corps at lower prices than charged by retailers here.

## BAPTISTS OF COUNTY MEET AT VALLEY HILL

The annual meeting of the Baptist Carolina Association, embracing Henderson county, is in session at Valley Hill, two miles west of Hendersonville. The opening session was held on Wednesday. A full representation is requested by the officers.

Frequent letters from home will cheer up the boys in the camps.
